2023 Property Taxes = \$4141.06

FSA Information:

Farmland Acres = 44.35

DCP Cropland Acres = 112.18

Base Acres = 91.02 (Corn 45.69ac, Soybeans 45.33ac)

Property Location: From US Highway 73 and KS20 Highway intersection in Horton travel west on KS20 for 1 mile to Kingfisher Road. Turn left (south) on Kingfisher Road and travel for approximately 1/2 mile. Property driveway is on the right (west) side of Kingfisher Road.

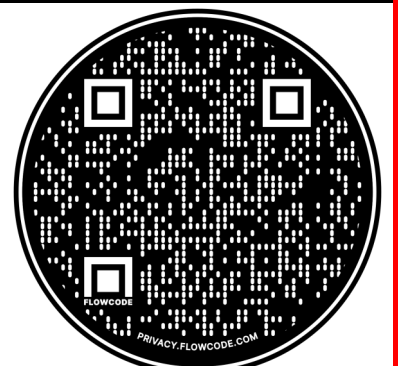

Broker's Notes: This multi-use property offers many GREAT amenities such as easy access to KS 20 Highway and close proximity to Horton. If recreation with income is your desire, this property has a history of producing

excellent corn and soybean yields while also being a GIANT Kansas Whitetail and Turkey producer. Located just 1 hour 5 minutes from Kansas City International Airport and just 45 minutes northeast of Topeka makes this property perfect for buyers wanting an income and whitetail producing paradise. **DON'T WAIT** and miss your opportunity to own this GREAT property.
