**BUYER'S RECEIPT OF DISCLOSURE STATEMENT**

**BUYER acknowledges that this disclosure does not constitute a warranty.** The BUYER is urged to carefully inspect the property and to have the property inspected by a qualified inspector. The BUYER understands that there are areas of the property of which the SELLER has no knowledge and this disclosure statement does not encompass those areas. The BUYER also acknowledges that he has read and received a signed copy of this statement from the SELLER or SELLER'S Agent. The BUYER acknowledges any personal property not included in the sales contract remains the property of the SELLER.

**BUYER'S RIGHT TO PROFESSIONAL COUNSEL:** BUYER acknowledges and agrees that the purchase of real property encompasses many professional disciplines, and while Broker possesses considerable general knowledge, Broker is not expert in matters of law, tax, financing, surveying, structural conditions, hazardous material, engineering, etc. BUYER acknowledges that BUYER has been advised by Broker to seek professional expert assistance and advice in those and other areas of professional expertise. In the event that Broker provides to BUYER names or sources for such advice and assistance, BUYER acknowledges and agrees that Broker does not warrant or guarantee such services and/or products.

BUYER herein understands that outside legal and tax counsel is recommended. Comprehensive mechanical, structural and other inspections are recommended. If, at BUYER'S option and choice, BUYER decides not to conduct inspections or obtain tax and legal counsel before closing, then BUYER accepts the Property in its present condition and will make no claim against SELLER, Brokers, or agents, based upon the lack of tax or legal counsel or based on any known or unknown past, current, or future condition of the above property and/or its improvements including but not limited to latent or patent defects, repairs, or replacements.

BUYER is advised that school boundaries are subject to change.

BUYER is advised that Kansas law requires persons who are convicted of certain sexually violent crimes after April 14, 1994, to register with the sheriff of the county in which they reside. BUYER is advised that information regarding those registrants may be available through the Kansas Bureau of Investigation (home page address: <http://www.kansas.gov/kbi>) or by contacting the local sheriff's office.

BUYER is advised that fungal contaminants (molds, etc.) may exist in the Property of which the Seller is unaware. These contaminants generally grow in places where there is excessive moisture, such as where leakage may have occurred in roofs, pipes, walls, plant pots, or where there has been flooding. A professional home inspection may not disclose fungal contaminants. BUYER may wish to obtain an inspection specifically for fungal contaminants to more fully determine the condition of the Property and its environmental status. Companies may be found in the Yellow Pages under "Environmental and Ecological Consultants," or "Environmental and Ecological Equipment and Services." Additional information about mold/fungal contaminants may be found at the following Internet Web Site: <http://www.cdc.gov/mold/faqs.htm>.

**RADON:** Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas Department of Health and Environment recommends all homebuyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to <http://www.kansasradonprogram.org>. BUYER acknowledges that SELLER does not warrant code compliance.
